CONDITIONS OF SALE

1. APPLICATION
   a. These terms and conditions shall apply to any contract for the sale of any goods by the Company, whether that contract arises out of any offer made by the Company and accepted by the purchaser or any offer made by the purchaser and accepted by the Company including any such offer made by the purchaser in response to a quotation from the Company.
   b. This offer, quotation or sale is made without any other understanding, warranties, representations or inducements whatsoever on the part of the Company or any person representing the Company except as recorded herein.

2. NEW PRODUCT WARRANTY
   The purchaser confirms that he has read and understood the terms of the warranty as described in the manufacturer's warranty booklet and agrees to them as if they where contained in this document.

3. VOETSTOOTS
   All used vehicles, goods or equipment as described on this document are sold "voetstoots" and without any other conditions or warranties, whether express or implied, except as referred to and reflected in writing in this document.

4. PRICE

The prices quoted herein are nett prices, based on the manufacturer's suggested retail prices ruling at the date hereof, but the contract price shall be based on the manufacturer's suggested retail price ruling at the time of delivery. The prices quoted herein are inclusive of Value Added Tax(VAT), unless the contrary is indicated. Only such discounts as are reduced to writing and contained in this document will be of any force or effect.

5. TRADE-IN
The purchaser hereby warrants that the year of manufacture of any trade-in is correct as reflected, and should it be subsequently transpire that the trade-in is of a different year of manufacture, then the purchaser agrees to pay to the Company on demand in cash the difference between the relevant years trade-in prices as reflected in the Auto Dealers Digest or similar Motor Trade publication. The purchaser further warrants that the goods reflected as a trade-in are fully paid for and free from all encumbrances. The purchaser indemnifies and holds the Company harmless against any claim by any third party arising out of the breach of this warranty.

6. OWNERSHIP
Notwithstanding the delivery of any goods to the purchaser or the licensing thereof, the ownership of any goods supplied or installed shall remain with the Company until payment in full has been affected. Notwithstanding the reservation of ownership, the risk in the goods shall pass to the purchaser upon delivery. Unless otherwise stated, delivery shall be made at the premises of the Company, and the use of any outside carrier to carry the goods to the premises of the purchaser shall be at the sole risk of the purchaser. It is further agreed that any outside carrier shall be an agent of the purchaser.

7. STOCK AVAILABILITY
The Company shall only be obliged to perform in terms of this agreement as stock becomes available from the manufacturer. It is accordingly specifically agreed that the provision of such stock shall constitute a suspensive condition of the agreement. In respect of the obligations of the Company hereunder, time shall accordingly not be of the essence. Should any delay arise, then provided the delay is reasonable, the purchaser shall not be entitled to cancel this agreement solely on the grounds of such delay. Should delivery become impossible due to circumstances beyond the Company's reasonable control, this agreement shall, at the election of the Company, lapse and the purchaser shall not have claim against the Company arising therefrom.

8. DELIVERY METHOD
It is recorded that new vehicles may have been driven from the factory of the manufacturer under their own power, or railed, but all speedometers are zeroed for correct servicing. Once the vehicle is ready for delivery, the Company shall inform the purchaser of the time at which delivery shall be taken. Should the purchaser not accept the delivery at the time, or within a reasonable period thereafter, the Company shall have the option, without prejudice to any other right which it may have in law, to cancel this agreement and resell the vehicle to another purchaser.

9. VARIATION
No waiver of alteration to, or modification of any of the terms and conditions set out herein shall be binding upon the Company unless contained in writing and signed by a duly authorised officer of the Company and by the purchaser.

10. LOSSES
The Company shall not be liable under any circumstances whatsoever for loss of profit or damage, direct or indirect, consequential or otherwise, alleged to be sustained by a purchaser as a result of any delay in manufacture, or failure to deliver the goods where such a failure is either wholly or partly beyond the reasonable control of the Company.

11. JURISDICTION
The Company shall be entitled, but not obliged, to institute proceedings arising out of any breach of this contract in any Magistrates' Court having the jurisdiction in terms of section 28 of the Magistrate's Courts Act, no 32 of 1944, as amended, (or any relevant legislation substituted thereof) and the purchaser hereby consents to the jurisdiction of such court in terms of section 45 of the said Act, notwithstanding that the amount in dispute may otherwise exceed the jurisdiction of such court.

12. PAYMENT
    1. The Company price shall be paid by the purchaser free of Bank and other charges and shall be paid without any deduction or set off. Any promissory note, bill of exchange, cheque or other negotiable instrument tendered shall not be a novation of the debt for which it is given and the purchaser waives presentment, notice of dishonour and protest where applicable.
    2. The Company shall be entitle to refuse to deliver the vehicle to the purchaser until such time as the purchase price has been paid in cash or finance facilities have been arranged to the satisfaction of the Company.

13. REQUEST QUOTE
    1. In the event that I/we request Finance, I/we agree that the Toyota Dealer may submit an Application for Finance to Toyota Financial Services (SA) (Pty) Ltd who are entitled to provide me/us, with a no obligation indicative finance quote.
    2. I/we further consent to the sharing of my/our personal information within the Toyota Group of Companies, being Toyota South Africa Motors (Pty) Ltd, Toyota Financial Services (SA) (Pty) Ltd and/or the Toyota Dealer network, for future marketing purposes.
